SEPA* -Single Euro Payments Area is a unified Eurozone, in which the differences between domestic and international payments in euros are completely eliminated

(SHA)* means you pay the outgoing GFC commission, and the recipient pays the incoming commission

(OUR)* means that you, as the sender, will pay all costs for the transfer.

The price list contains information only about the most typical payment service fees related to payment accounts and complete information concerning payment service contracts, including pre-contractual information, is submitted in other documents

DEFINITIONS TO THE TYPICAL PAYMENT SERVICE PRICE LIST

Card Holder	a person to whom the Payment institution has been issued a card;
Card reader	device for reading a token card;
Cash withdrawal	cash withdrawal from the Customer's account via ATM;
Conversion	exchange of funds at the current exchange rate;
Incoming payment	is a payment to be placed to the Customer's account;
Internal payment	is a payment between the Customer's accounts within the payment institution, as well as the Customer's own accounts;
International payment	is a payment between accounts of customers, where at least one of the parties is located in a country – not a member of the common Eurozone, and which does not meet the requirements of SEPA;
I-GFC (remote servicing)	is an Internet platform for remote maintenance, as well as access to accounts and transactions (on them), which is provided at any time and from any device with Internet access;
Outgoing payment	is a payment that is placed from the Customer's account;
